CD90i

CARRY DECK CRANE

BADGER
EQUIPMENT COMPANY

Optional equipment shown and subject to change

Tight space? No problem.

The 9-ton cab-down crane maneuvers smoothly through cramped machine shops or shipyards. Its unique outrigger system can be safely positioned close to the load. It offers:

- 3-section full-power boom with optional 9 ft. extension, giving boom a 32 ft. reach
- Frame mounted non-vibrating tampon style closed cab shell with control station
- 63 hp Perkins® 804D-33 3.3L diesel engine
- Maximum speed of 18 mph

Plus, with the CD90i you can lift a full load and move it 360 degrees, at a 5 ft. radius.

Lift A Full Load 360°
with the New Badger
CD90i Carry Deck Crane

CD90i | CARRY DECK CRANE

THE RIGHT TOOL FOR THE JOB

With the CD90i, you can:

- **Lift safely.** Out-and-down outriggers extend adding stability and letting you inch closer to the load.
- **Increase productivity.** Lift a full load and move it 360 degrees at five feet radius.
- **See clearly.** With its low profile and expansive use of glass, you'll never lose sight of your load.
- **Minimize risk.** Electro-hydraulic controls are standard so there's no risk of high-pressure hose leaks in the cab.
- **Rest assured.** All components on the CD90i are covered by warranty. Extended warranty packages are also available.
- **Meet the latest EPA tiered engine and OSHA requirements.** The CD90i engine complies with the current U.S. Environmental Protection Agency (EPA) air emissions standards.

OUR PRODUCTS

Since 1945, Badger Equipment Company has built thousands of units for the railroad, construction, utility, municipal, mining and manufacturing industries. Customers know us by these brand names:

- **Badger Equipment** - excavators and cranes
- **Little Giant** - railroad equipment
- **CF Lifters** - lifting devices

Across all our divisions, we help our customers succeed by building products that meet their ever-changing needs.

OUR PROMISE

When customers choose Badger Equipment, they can be sure of this: We're small enough to pay attention and expert enough to provide value. We listen. We deliver the right tool for the job. And we stand by what we build.
