

Ideal Crane Stiffleg ***Break Over***

PART #900100

The Break Over Stifflegs are designed for use with Liberator 3200 and smaller cranes on trucks up to 9,000 GVW.

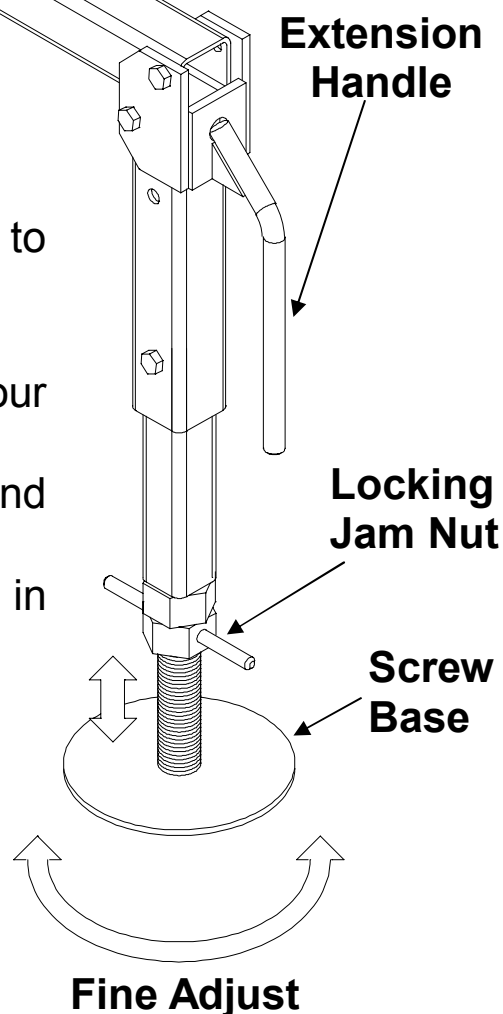

Break Over Stifflegs feature:

- ◆ Adjustable deployed height from 19" to 35" to fit most trucks.
- ◆ Screw base for fine height adjustment.
- ◆ Locking jam nut lets you adjust it for your truck and forget it.
- ◆ Break over design is easily extended and retracted by hand.
- ◆ Folds and stows in toolbox when not in use.

... better by design ...
