C64 | CRAWLER

The only 25-ton, lattice-boom crawler on the market.

Why buy more than you need?

This versatile 25-ton capacity crawler crane is perfect for bridge and shoreline work. It offers:

- Dragline, clam shell and magnet attachments that let you load barges one day and move machinery the next
- A free-fall winch that lets you pile drive just like the big guys
- Heavy-duty Cummins® engine
- Easy-to-use controls

Plus, integrated safety features are standard on the C64, and each unit can be customized to meet additional safety or functional requirements.

The C64 is also OSHA and EPA Tier 3 compliant.

The Little Giant Model C64 Crawler meets the compliance requirements of:

- The Occupational Health and Safety Administration (OSHA)
- The Environmental Protection Agency (EPA) Tier 3 Compliant

 BADGER
EQUIPMENT COMPANY

THE RIGHT TOOL FOR THE JOB

With the C64, you can:

- **Get in and out easily & safely.** On the C64, steps, handrails and grab rails are standard. Catwalks are optional.
- **Lift confidently.** The load-moment indicator sounds a warning or shuts down the machine when lift limitations are exceeded.
- **Rest assured.** Because each C64 is built entirely by Badger, all components - including customization - are covered by warranty. Extended warranty packages are also available.
- **Meet the latest EPA tiered engine requirements.** The Cummins® diesel engine complies with the newly established U.S. Environmental Protection Agency (EPA) air emissions standards.

OUR PRODUCTS

Since 1945, Badger Equipment Company has built thousands of units for the railroad, construction, utility, municipal, mining and manufacturing industries. Customers know us by these brand names:

- **Badger Equipment** - excavators and cranes
- **Little Giant** - railroad equipment
- **CF Lifters** - lifting devices

Across all our divisions, we help our customers succeed by building products that meet their ever-changing needs.

OUR PROMISE

When customers choose Badger Equipment, they can be sure of this: We're small enough to pay attention and expert enough to provide value. We listen. We deliver the right tool for the job. And we stand by what we build.
